GAMEDAY AT FALCON STADIUM

After every Falcon score, the cadets storm the field and do pushups for every Air Force point on the board.

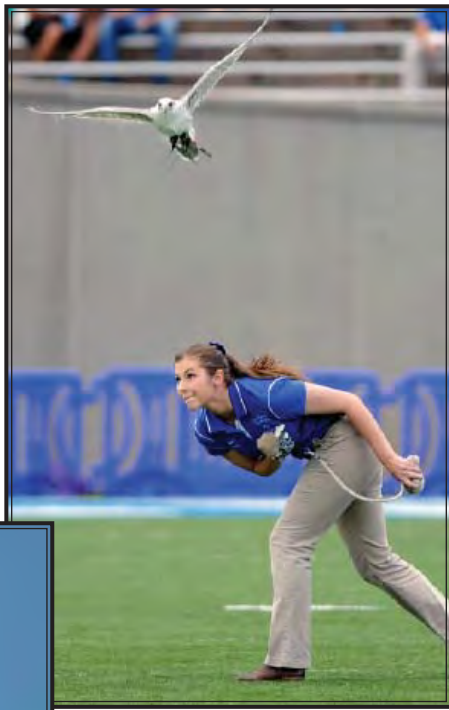

After every game, the Falcons stand hand-in-hand in front of the cadet wing as the Drum and Bugle Corps plays the alma mater.

Prior to every service academy game, the "prisoners of war" are exchanged at midfield. The POWs are exchange cadets from the other academies who sit with their respective academies during the game.

At the base of the Rampart Range of the Rocky Mountains, game day at Falcon Stadium is truly a remarkable experience. Pre-game fly-bys, the march-on, the Drum and Bugle Corps and the spirited cadet section, make Falcon Stadium the place to be on Game Day

COMMANDER-IN-CHIEF'S TROPHY

The seniors from the winning team in the battle for the Trophy make a trip to the White House for a ceremony with the President of the United States.

No other college or professional athletic team has visited the White House as often as the Air Force football team. The Falcons have made 20 trips to Washington, D.C., since 1982.

The Falcons have met President Ronald Reagan five times, President George H.W. Bush three times, President Bill Clinton six times, President George W. Bush twice, President Barack Obama three times and President Donald Trump once.

The Commander-in-Chief's trophy was first awarded in 1972 when Richard M. Nixon was President of the United States. The trophy was the idea of Air Force general George B. Simler, the commander of Air Training Command and former Air Force Academy director of athletics. Simler felt it was important to ensure the Air Force games against Army and Navy were given even more meaning than other games played each season. The trophy is jointly sponsored by the alumni associations of all three academies. The design of the trophy consists of three silver footballs in a pyramid like arrangement, set on a circular base, with three arc-shaped sections cut out, one for each academy.

BRIAN BULLARD AWARD

Senior linebacker Kyle Johnson earned the 2019 Brian Bullard Award. Johnson was named The Charlotte Touchdown Club's 2019 Defender of the Nation Award winner. He carried a 3.94 GPA. Johnson was second on the team in tackles with 82 and had 5.5 tackles for loss and 1.5 sacks in 2019. He recorded his second-career pick-six in Air Force's 43-24 win over Fresno State. Johnson is the first Falcon with multiple defensive touchdowns since 1999.

The Bullard Award is voted on by the team based on the criteria that typifies Brian Bullard - unselfishness, 110 percent effort, total team commitment and pride in his role on the team whether he's a starter or not.

A memorial is located in the Falcon Athletic Center so that every football player sees it every day. The memorial has Brian's picture and the name and photo of each year's winner.

A 1982 graduate of Air Academy High School in Colorado Springs, Brian attended the Academy the following year. After playing on the junior varsity his freshman year, he made the varsity and lettered as a sophomore in 1983.

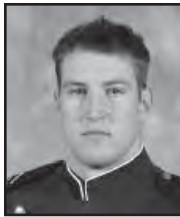

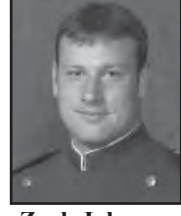

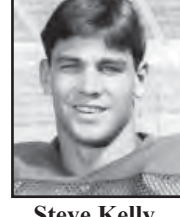

During Thanksgiving vacation that year, Brian, a member of Cadet Squadron 27, and cadet Dianne Williams of Cameron, Mo., were returning from Kansas and were caught in a snow storm. The two died from carbon monoxide poisoning. Williams was a member of Cadet Squadron 33 and played on the women's varsity golf team.

The Brian Bullard award is presented annually at the Falcon football team banquet. Brian was the epitome of everything Air Force Football stands for. Brian's life is used not only for motivation, but as the benchmark each Falcon football player should strive to attain. The criteria established for the award were taken directly from the life of Brian Bullard.

The recipient of this prestigious award cares about the team first and himself second. He loves his team and his teammates and will do everything he can to make his brothers better. He is a source of encouragement for everyone and truly leads by example. He gives his all and truly enjoys every practice. He shows great pride in his role on the team and is a pleasure to coach. Though he played just two seasons with the football team, Brian left quite an impression.

FALCONS IN THE NFL

Ben Garland signed a free agent contract with the San Francisco 49ers in the spring of 2019. He spent three seasons with the Atlanta Falcons (2016-18) and played in 46 games on both the offensive and defensive lines. He started three games in 2017 at center. In 2016, he played in both the NFC Championship game and Super Bowl LI. In 2014, he played in eight games for the Denver Broncos as an offensive guard. A 2010 Academy graduate and defensive lineman for the Falcons, he was a member of the Broncos' practice squad in 2012 and 2013 and a member of the Atlanta Falcons in 2015. Entering the 2020 season, he has played in 72 regular-season and post-season career games with 15 starts over five seasons. In 2019, he played in nine regular-season games for the 49ers. He started the final three regular-season games, and all three post-season games, at center.

Chad Hennings (above left), a 1988 graduate, spent more time in the NFL than any other former Falcon. After serving four years on active duty and 45 combat missions in the A-10 aircraft, he signed with the Dallas Cowboys in 1992. Hennings played nine seasons with the Cowboys from 1993-2000 and won three Super Bowl rings (1993, 1994 and 1996). He played in 119 career games, starting 72 on the defensive line, and had 216 tackles with 27.5 sacks, five forced fumbles, six fumble recoveries and a touchdown.

Bryce Fisher, (above middle) a 1999 Air Force Academy graduate, served two years of active duty in the Air Force and the remainder of his commitment was fulfilled in the reserves and national guard. Fisher was a seventh-round draft choice of the Buffalo Bills in the 1999 draft. He spent seven years in the league with Buffalo (1999-01), St. Louis (2002-04), Seattle (2005-07) and Tennessee (2007). In 2005, he became the third USAFA graduate to play in a Super Bowl as the Seahawks won the NFC Championship. He played in 90 career games and had 222 tackles, six forced fumbles and 26.5 sacks.

Chad Hall, (above right) a 2008 graduate, served two years on active duty and is completing his commitment in the Air Force reserves. In two seasons with the Eagles in 2010 and 2011, the receiver played in 15 games with 14 catches for 135 yards and two touchdowns. Hall also had 10 punt returns for 107 yards, six kickoff returns for 108 yards and 12 rushes for 42 yards. Late in the 2012 season, Hall was signed by the San Francisco 49ers and was activated for the NFC Championship game and Super Bowl XLVII. In 2013, he played in nine games with the Kansas City Chiefs and had two receptions for 20 yards. He is currently an offensive assistant coach with the Buffalo Bills. He played 24 career games and had 16 receptions, 12 carries and two TDs.

FALCON STADIUM

A picturesque setting at the base of the Rampart Range of the Rocky Mountains and boasting some of the grandest pageantry in all of college football, Falcon Stadium is without a doubt one of the premier college football stadiums in America.

Sitting at 6,621 feet above sea level, the thin air has been kind to the Falcons. Air Force has won 63 percent of its home games in the stadium with a 203-117-4 all-time home record. Falcon Stadium's elevation is the second-highest of any Division I-A stadium in the nation. The stadium's current capacity is 46,692.

Falcon Stadium, built in a natural bowl in the foothills, was built in the fall of 1962 at a cost of \$3.5 million. Falcon Stadium opened on Sept. 22, 1962, when a then-overflow crowd of 41,350 saw Air Force defeat Colorado State, 24-0. AFA held a formal dedication on Oct. 20, 1962, when Air Force hosted Oregon. The Ducks won the game, 35-20. The stadium was originally built solely for football, but several non-athletic events, such as the Academy's annual graduation, are conducted there.

Since 1962, the stadium has seen several significant upgrades. In 1991, the Academy installed nine skyboxes and remodeled the existing press box. The facility currently seats 450 people indoors, along with 88 in the skyboxes. In addition to its game-day uses, the press box is also used by the athletic department as a banquet/meeting room.

Throughout the 1990's and early 2000's, the stadium's capacity was 52,480 but in 2005, the stadium's capacity was reduced to 46,692 (the current capacity). The removal of the bleachers on the east side greatly increased the fan experience with additional

food and beverage vendors and more room to move around the stadium.

In 2002, the Academy added permanent lights. The cost of just under \$500,000 was at no expense to tax payers. The Air Force Academy Athletic Association picked up the tab. That same season, a school record crowd of 56,409 packed the stadium for a game against Notre Dame.

Prior to the 2016 season, two brand new scoreboards were installed, one in the north end zone and one in the south end zone. The video board in the south end zone was the largest in the Mountain West and among the service academies (at the time of installation). The board is over 2,500 square feet of HD video display (dimensions are 31-2 by 82-8) and includes a state-of-the-art audio system.

Prior to the 2018 season, the turf was replaced, the home locker room was completely renovated, along with new medical rooms, coaches room and media room.

In February, Falcon Stadium hosted the NHL Stadium Series game between the Colorado Avalanche and the Los Angeles Kings in front of 43,500 fans.

In the summer of 2020, signs were installed on the con-

course with famous air battles in the history of the Air Force and also those depicting our rich bowl history.

The scenic backdrop, the game-day experience and the recent upgrades have ensured that Falcon Stadium is among the best venues in all of college football. The proof is in the ranking as CBS Sports (March 2011) ranked Falcon Stadium the 22nd best in college football, higher than any other Mountain West institution.

HOLADAY ATHLETIC CENTER

The dream became a reality on Oct. 1, 2010, as the USAFA Endowment, on behalf of the United States Air Force Academy and the Association of Graduates, hosted a ground-breaking ceremony for the new Holaday Athletic Center.

The project was made possible by a generous lead gift of \$5 million from Bart and Lynn Holaday, Class of 1965--the largest gift from a graduate to the Academy in the institution's history.

The Holaday Athletic Center, an indoor athletic training facility, is also unique in that it is the largest privately funded capital project in Academy history.

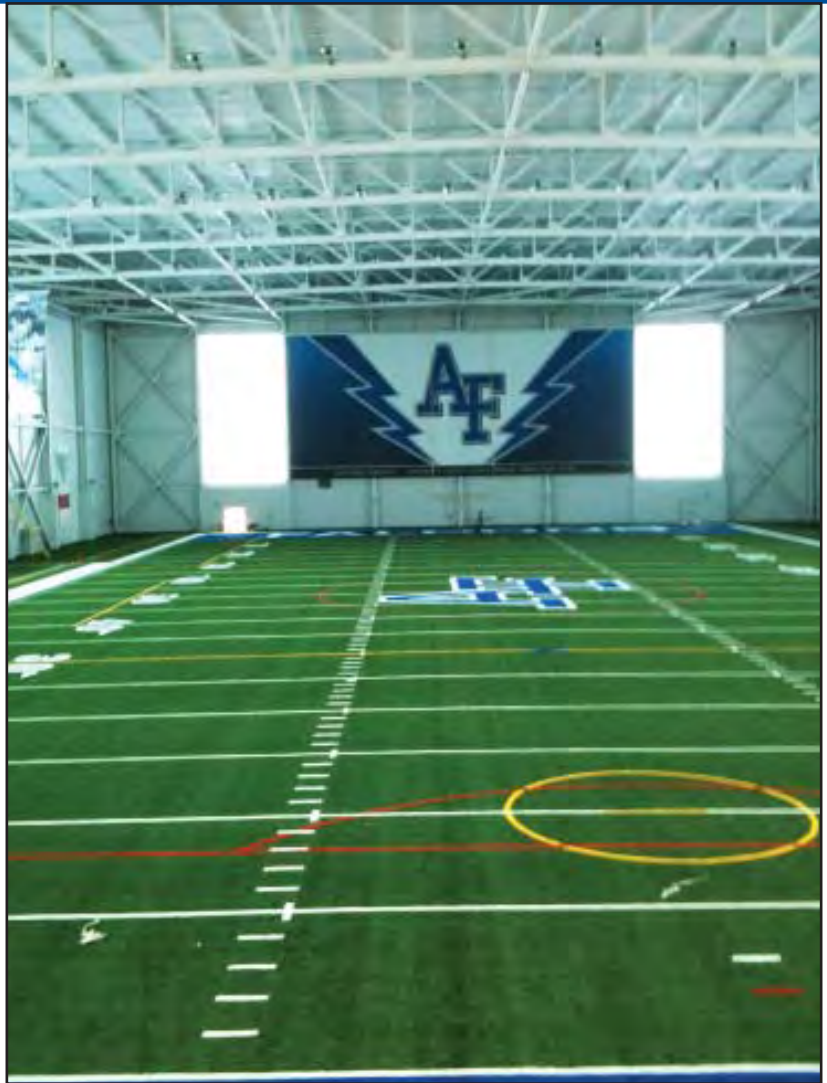

Construction began in October 2010 and was completed in July 2011. The 92,000 square-foot center houses a regulation-sized field that can accommodate football, lacrosse and soccer, in addition to many other athletic activities.

Cadet athletic development and performance will be enhanced through reduced weather delays, increased practice time and improved replication of game conditions that the facility provides.

"Today is one of the most exciting days in the history of Air Force athletics," said Air Force Director of Athletics Dr. Hans Mueh on the day of ground-breaking. "Air Force athletics is not just our 27 intercollegiate sports, but also encompasses intramurals, physical education classes and cadet physical fitness training. Air Force athletics touches every cadet here at the Academy and because of this generous gift from Bart and Lynn Holaday and others who have given, we will continue to have the very best facilities to provide total team and player development, benefiting all cadets and enhancing the Academy's overall success in intercollegiate and intramural athletics."

Three days after the ground-breaking ceremony, construction began to level the ground north of the Cadet Field House and continued steadily throughout the winter.

A ribbon-cutting ceremony was held on July 22, 2011.

THE AIR FORCE ACADEMY

The United States Air Force Academy offers a four-year program of instruction and experience designed to educate, train and inspire men and women to become officers of character, motivated to lead the United States Air Force in service to our nation. Each cadet graduates with a bachelor of science degree and a commission as a second lieutenant in the Air Force.

Course of Study

Cadets are exposed to a balanced curriculum that provides the knowledge, skills and responsibilities essential to a career Air Force officer. The entire USAFA experience is integrated and mapped to achieve a set of desired outcomes in every graduate.

The core academic curriculum includes courses in basic sciences, engineering, social sciences and humanities. Cadets take additional elective courses to complete requirements for one of 31 major areas of study. About 50 percent of the cadets complete majors in science and engineering; the remainder graduate in the social sciences and humanities. Some of the most popular majors include management, aeronautical engineering, foreign area studies, history, behavioral science, civil engineering, astronautical engineering, electrical engineering and engineering mechanics.

Faculty Composition

The majority of the Academy's faculty members, more than 500 total, are Air Force officers. They are selected primarily from career-officer volunteers who have established outstanding records of performance and dedication. Each has at least a master's degree and more than 55 percent have doctorates or other terminal degrees in their field of study.

About 30 percent of the faculty are civilians who bring great depth of disciplinary and educational expertise and provide academic stability and continuity.

Faculty members are intensely focused on cadet learning as an integral part of their officer development. The Air Force Academy has been ranked No. 1 in the nation for the most accessible and involved faculty.

To provide greater contributions by a diverse faculty, the Academy has several distinguished visiting professors and endowed professors who serve one or more years. Officers from other services, as well as officers from allied countries are also members of the faculty. Distinguished civilian and military lecturers also share their expertise with the cadets during the academic year.

Athletic Program

The Academy's athletic program is designed to improve physical fitness, teach athletic skills and develop leadership qualities. To achieve its goals, the Academy offers some of the most extensive physical education, intramural sports and intercollegiate athletic programs in the nation. Cadets take at least three different physical education courses each year.

Military Education and Training

An air, space and cyberspace-oriented military education, training and leadership program begins with basic cadet training and continues throughout the four years. Seniors are responsible for the organizational leadership of the cadet wing, while juniors and

sophomores seek to develop team and interpersonal leadership and instructional skills. Cadets are projected into as many active leadership roles as possible to prepare them to be effective Air Force officers.

Fundamental concepts of military organization -- drill, ethics, honor, Air Force heritage and physical training -- are emphasized the first summer during basic cadet training. Freshmen then study the military role in United States society as well as the mission and organization of the Air Force. Sophomores receive instruction in communication skills and juniors study the combat and operational aspects of the Air Force.

The Academy offers courses in flying, navigation, soaring and parachuting, building from basic skills to instructor duties. Some cadets may fly light aircraft with the Cadet Flying Team.

Summer training for cadets is divided into three, three-week training periods. There are a variety of programs available and each cadet is required to complete two training periods each summer with leave during the other period. All new cadets take six weeks of basic cadet training in their first summer.

Combat survival training is a required three-week program during cadets' second summer. For other second-summer training periods, cadets have options such as working with Airmen in an operational unit at an Air Force installation, airborne parachute training, soaring or basic free-fall parachute training.

During their last two summers, all cadets are offered leadership training as supervisors or instructors in the summer programs listed above.

Extracurricular activities also are an integral part of the education program. The cadet ski club, drum and bugle corps, cadet chorale and forensics are a few of the programs available.

Nominations

Nominations to the Academy may be obtained through a congressional sponsor or by meeting eligibility criteria in other categories of competition established by law. For information on admission procedures, please visit:

History of The Academy

In 1948, a board of leading civilian and military educators was appointed to plan the curriculum for an academy that would meet the needs of the newly established Air Force. The board determined that Air Force requirements could not be met by expanding the other service academies and recommended an Air Force Academy be established without delay.

In 1949, then Secretary of the Air Force W. Stuart Symington appointed a commission to assist in selecting a site and on April 1, 1954, President Dwight D. Eisenhower authorized creation of the United States Air Force Academy. After considering 580 sites in 45 states, the commission narrowed the choice to three locations. The summer of 1954, Secretary of the Air Force Harold Talbott selected a site near Colorado Springs, Colo. Colorado contributed \$1 million toward purchase of the property.

In July 1955, the first Academy class entered interim facilities at Lowry Air Force Base, Denver, while construction began. It was sufficiently completed for occupancy by the cadet wing in late August 1958. Initial construction cost was \$142 million.

Women entered the Academy on June 28, 1976, as members of the class of 1980.

DIRECTOR OF ATHLETICS NATHAN PINE

Nathan Pine is in his second academic year as the Director of Athletics at the Air Force Academy after arriving in Colorado Springs in January of 2019. Pine came to Air Force from Holy Cross, where he led the Crusader program as the director of athletics from 2013-18.

Since his arrival, the Falcons have seen success on a number of important fronts. In terms of comprehensive programmatic success, Air Force has finished as the top service academy in the Learfield IMG Director's Cup, second in the Mountain West and a top 70 Division I program. Individual team highlights include men's & women's rifle winning a national title in 2019, women's cross country finishing eighth in the nation in 2019 and football completing an 11-2 season with a win in the Cheez-It Bowl over Washington State and a No. 23 final ranking (Air Forces' first since 1998). In total, five teams have won conference championships since his arrival and 53 cadet-athletes have been honored as All-Americans.

Air Force had record-breaking fundraising numbers for the second consecutive year in 2019-20, including total number of donors and dollars raised, as well as the rebranding of its fundraising arm for athletics to the Falcon Athletic Fund. Formerly known as the Falcon Pride Club, the Falcon Athletic Fund was refreshed and rebranded under Pine's leadership with increased giving levels and benefits. The Falcon Athletic Fund is responsible for generating philanthropic resources required to provide a first-class athletic experience for 1,000 cadet-athletes across 27 intercollegiate sports.

Pine has also focused on working to enhance the Air Force brand and national outreach through athletics. In February of 2020, Air Force hosted the 2020 NHL Stadium Series in Falcon Stadium to a sellout crowd of 43,500. The event had an ad value of \$14.32 million and a national publicity value 25 percent higher than a typical NHL game. The game also brought significant resources to the Academy for hosting and an estimated \$17.5 million to the local Colorado Springs economy.

Pine has overseen a number of important coaching hires during his tenure. In 2020, Air Force announced the return of Joe Scott to

the Academy to lead the men's basketball program. He also ensured continuity within the football program after the 2019 season by signing head coach Troy Calhoun to a multi-year extension through 2026. Other head coach additions have included Omar Elgizery in men's and women's fencing, Josh Loeser in men's gymnastics and Jennifer Green in women's gymnastics.

Facility improvements continue to be an area of focus at Air Force and a number have been completed in the last two years. Clune Arena has seen extensive improvements to improve the fan experience, including new video board and ribbons, venue lighting and new restroom renovations. The baseball stadium has received new turf as well as a new pitching area while Falcon Stadium has celebrated the program's heritage with two major projects. There are signs on the concourse depicting significant battles the Air Force has been involved in throughout time, in addition to signs celebrating competitive success with updated bowl signage on the lower concourse.

Prior to Air Force, the Holy Cross Athletic Department saw unprecedented success during his time as athletic director. The Crusader Athletics Fund more than doubled in four years and raised over \$2-million during the 2017-2018 academic year. Holy Cross also received two of the largest gifts in the history of the College (\$32.5 million and \$20 million respectively), directed toward athletics facility improvements. Construction on the \$95 million Luth Athletic Complex began in December of 2015 and was completed in the spring of 2018. Pine also orchestrated broader regional and national exposure for the College from television and marketing efforts, along with significant branding and alumni outreach.

Pine also championed the priority of academics at Holy Cross and student athletes achieved at the very highest levels of Division I during his tenure, tying nationally for first place in 2014 and third place in 2015 in NCAA Graduation Success Rate (GSR). Additionally, Holy Cross led the nation with 75 percent of its teams earning NCAA Division I Academic Progress Rate public recognition awards in the 2017 report. Student athletes combined for a 3.12 or higher GPA in each of the nine semesters under his leadership, highlighted by a record 3.26 average GPA in the spring of 2018. In addition, 338 Holy Cross student athletes were recognized on their league Academic Honor Rolls in 2017-2018.

Pine improved football scheduling, adding long-term home and home series with Harvard and Yale, while spearheading the effort to bring the 2016 showdown with Fordham University to Yankee Stadium. Additionally, he scheduled several BCS opponents for the Crusaders beginning with a 2017 game at UConn (Holy Cross' first BCS foe since 2002) and future contests with Boston College, Syracuse, Army and Navy. In 2015, Pine hired Bill Carmody as the head men's basketball coach, a move which quickly energized the program. In Carmody's first season, the Crusaders won the Patriot League title in dramatic fashion and then went on to win their first NCAA Tournament game in 63 years in the First Four.

He made a number of other notable coaching hires at Holy Cross bringing in Bob Chesney in football, David Berard in men's ice hockey, Amanda Belichick in women's lacrosse, Lindsay Jackson in field hockey, Casey Brown in women's soccer and Jen Lapicki to lead the softball program.

Pine was also active at the national level and represented Holy Cross and the Patriot League as a member of the NCAA Division I FCS Football Committee and the NCAA Division I FCS Athletic Director's Association Executive Committee. He worked at the league level with the other athletic directors and the conference office to maximize the student-athlete experience and generate additional exposure and revenue for the Patriot League and Holy Cross.

Pine joined the Crusaders after serving as the deputy director of athletics at the University of Maryland. In addition to sport supervision of men's basketball, men's soccer, women's soccer and baseball, he oversaw all of the external support units and revenue generation for Maryland's athletic department including development, marketing, media relations, ticket operations and video services. Pine was also responsible for negotiating the majority of the department's business contracts including the multimedia partnership with CBS Collegiate Sports Properties and the Under Armour all-apparel deal, community engagement and the M Club (former letterwinners organization) as well as the athletics merchandising and eCommerce operations.

Prior to his time at Maryland, Pine spent three years at the University of California at Berkeley, where he oversaw all aspects of the major gift program and development staff for athletics. Pine led the university's athletics fundraising capital campaign, an unprecedented \$500 million effort.

Pine previously spent four years at the United States Military Academy, where he was a key member of the athletic senior leadership team. He was responsible for all business initiatives for Army and oversight of the external operations areas for athletics. Pine also represented Army's interests in the coordination and execution of the contract extension with CBS Sports for the 2010-2018 Army-Navy football games, and he oversaw all elements of the Army-Navy sponsorship rights.

Pine began his career in the athletic department at Oregon State University, where he was instrumental in the growth of annual fundraising and the renovation of Reser Stadium during his five-plus years in Corvallis following graduation.

A native of Eagle Point, Ore., Pine received his bachelor's degree in marketing and international business from Oregon State University, and a master's degree in education from the University of California at Berkeley. He and his wife, Stephanie, reside in Colorado Springs with their two dogs, Deuce and Lola.

ACADEMY ATHLETICS

Few schools in the country have an athletic program as extensive as the Air Force Academy's.

The goals of the athletic program are to enhance the physical conditioning of all cadets, to develop the physical skills necessary for officer-ship, to teach leadership in a competitive environment and to build character. There are three subdivisions of the athletic program: intercollegiate athletics, intramurals and physical education.

The intercollegiate program has 17 men's and 10 women's NCAA-sanctioned teams, facing some of the top competition in the nation. Men's teams are football, baseball, basketball, ice hockey, cross-country, fencing, golf, gymnastics, indoor and outdoor track, lacrosse, rifle, soccer, swimming and diving, tennis, water polo and wrestling. The Academy fields women's teams in basketball, cross-country, fencing, gymnastics, rifle, indoor and outdoor track, swimming and diving, soccer, tennis and volleyball. In addition, the Academy sponsors two non-NCAA programs; boxing and cheerleading.

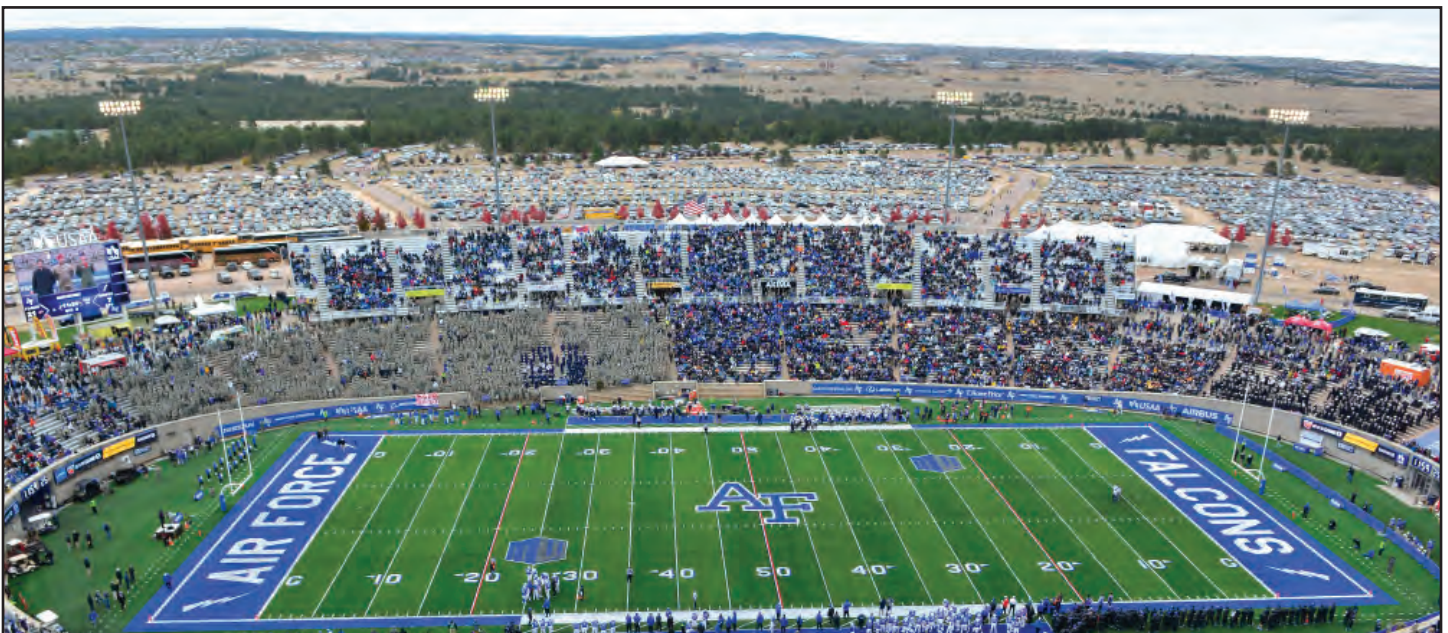

The majority of the Academy's men's and women's programs compete at the NCAA Division I level in the Mountain West Conference. The Falcons compete in this conference against teams from Boise State, Colorado State, Fresno State, Hawai'i (football only), Nevada, New Mexico, San Diego State, San Jose State, UNLV, Utah State and Wyoming. All sports also compete against non-conference opponents, including many nationally ranked teams.

The football team competes annually for the Commander-in-Chief's Trophy, which is emblematic of service academy football supremacy. The Falcons have won the trophy 20 times, which is more than any other academy.

The USAFA Cadet Field House is one of the most impressive buildings in the country. It's a modern, versatile structure with seemingly endless uses. The \$5.6 million building is five stories high and 396 feet by 426 feet, the size of three football fields laid side by side. The structure is divided into three areas--basketball arena, ice hockey arena and multipurpose area. The three sections have a combined seating capacity of more than 9,000.

Clune Arena seats 5,858. The Cadet Ice Rink has a seating capacity of 2,470, while the multipurpose area seats 1,000 fans for track and field competitions.

The \$4.1-million renovation to the Cadet Track Stadium, the outdoor home of the Air Force track and field team, was completed in the fall of 2011 and is one of the premier track and field facilities in the nation. The Holaday Athletic Center, a \$15.5 million completely donor funded indoor training facility, was completed in July 2011. The Cadet Fitness Center, a \$9.5 million, Military Construction project, home of the Air Force Academy's fencing practice facility and aerobics/weight lifting facility that contains a nearly 33-foot climbing wall, opened in May 2012.

THE FALCON

Sports audiences across the country have been intrigued and delighted by the aerobatics of the falcon, the flying mascot of the U.S. Air Force Academy -- one of only two schools with performing mascots in the National Collegiate Athletic Association. The falcon can attain velocities exceeding 200 miles per hour in swoops or dives, turn sharply and streak only inches above the ground, making it the fastest and one of the most maneuverable of all birds.

Trained and handled by cadet falconers, the birds soar and dive, sometimes zooming low over the heads of spectators. While their public flying performances are primarily limited to outdoor venues -- most often at football games and cadet wing parades -- the falcons appear at many other athletic contests in which cadet teams play.

Members of the Class of 1959, the first to enter the Academy, chose the falcon as the mascot of the cadet wing Sept. 25, 1955, feeling that it best characterized the combat role of the U.S. Air Force. They did not specify any particular species; thus, any falcon can serve as mascot. Some of the characteristics which led to its selection were speed, powerful and graceful flight, courage, keen eyesight, alertness, regal carriage and noble tradition. The falcon exemplified the qualities sought in Air Force Academy cadets: courage, intelligence, love of the wild sky, ferocity in attack, but gentle in repose, and discipline.

Experts once said falcons could not be trained to perform before huge crowds, that the birds would panic and flee. Since 1956, however, cadets have flown the birds at sporting events before thousands of cheering spectators. Six weeks or more and an average of 300 man-hours per bird are required to properly train a young falcon via operant conditioning. When a bird is in top condition, it is able to fly for more than an hour and make repeated stoops at the baited lure swung by the cadet falconer. Although they can be trained to perform, falcons are never totally domesticated and remain wild creatures with strong, individual and independent spirits.

On Oct. 5, 1955, a splendid peregrine was the first falcon presented to the cadet wing. It was named "Mach 1," referring to the speed of sound. Today, 12 to 15 falcons are kept in the mews (enclosures for trained hawks) north of the cadet area.

Current breeds of falcons at the Academy include several breeds which are native to North America, including prairie falcons, peregrine falcons, and the largest type of falcon, the gyrfalcon. The Academy recently added several gyr-saker hybrids and a gyr-peregrine hybrid to its ranks. Sakers are a strong and agile mid-to-large size breed of falcon, native to Eastern Europe and Asia. Sakers have been cross-bred with the larger gyrfalcons in recent years to produce a highly intelligent, agile and powerful breed of perform-

ing falcon, and have flown at the Academy since 2003.

In addition to flying performances, the falcons and cadet falconers visit dozens of schools, scouting groups, youth groups, airshows and other public events around the country, educating youth and adults alike on falconry, raptors, the Air Force and the Air Force Academy.

On June 8, 1996, the Association of Graduates purchased a female white-phase gyrfalcon from Mr. Dan Konkle in Sheridan, Wyo., and donated her to the Academy. The cadet wing named this new mascot Aurora - from Roman mythology, the goddess of the dawn. She is now the official mascot for the United States Air Force Academy and has become the center of attention for the Academy's Falcon Mascot Program. At a mere 40 days old, this

majestic creature weighed four pounds. Glacier, our previous white-phase gyrfalcon Mascot from 1980-95, only weighed two pounds.

Although any falcon can serve as an Academy mascot, the white-phase gyrfalcon is native to Alaska, Canada, Greenland and the U.S.-Canadian border, and has always been the official mascot of the Air Force Academy. Gyrfalcons constitute only about five percent of the total number of falcons found in the United States. Of that five percent, only about 3-4 percent are true white-phase gyrfalcons.

Falconry is one of the extracurricular activities offered to cadets. There are usually 12 falconers, with four chosen from each new class at the end of the year to replace graduating seniors. The new falconers begin training in January under the leadership of experienced upperclassmen and the officer-in-charge. Without proper instruction, novices can physically harm the birds or adversely affect their training. Falconers' duties include daily checks of each bird's health and condition, training sessions during which the birds are fed a measured ration of meat, frequent cleaning of the mews and routine maintenance of equipment.

During performances, the birds fly to a lure, a rectangular-shaped leather pouch. The falconer whirls the lure in a circle on a 30-foot cord; the bird quickly learns to strike it in mid-air, carry it to the ground and dine on the food. As the bird stoops toward the lure in free flight, the lure is jerked aside, causing the falcon to fly up, circle and make another pass. This procedure is repeated several times

before the bird is allowed to strike the lure in mid-air. The falcon performs this task knowing that as soon as it catches the lure, it earns its meal for the day.

A small battery-powered transmitter and a bell are attached to each leg so that, should the bird not come to the lure as it had been trained, the cadet falconers will be able to follow and safely recover the falcon.

THE AIR FORCE SONG

History of the Air Force Song

In 1938, Liberty magazine sponsored a contest for a spirited, enduring musical composition to become the official Army Air Corps song. Of 757 scores submitted, Robert Crawford's was selected by a committee of Air Force wives. The song was officially introduced at the Cleveland Air Races on September 2, 1939. Fittingly, Crawford sang it in its first public performance.

The first page of the score, which Crawford submitted to the selection committee in July 1939, was carried to the surface of the moon on July 30, 1971, aboard the Apollo 15 "Falcon" lunar module by Colonel David R. Scott and Lieutenant Colonel James B. Irwin. Interestingly, at the moment the "Falcon" blasted off the surface of the moon with Scott and Irwin on board, a rendition of the "Air Force Song" was broadcast to the world by Major Alfred M. Worden, who had a tape recorder aboard the "Endeavor" command module which was in orbit around the moon. Scott, Irwin and Worden comprised the first and only "All-Air Force" Apollo crew and arranged to take the page of sheet music with them as a tribute to Crawford and the United States Air Force.

Bridge Section: Toast to the Host

"A Toast to the Host" is part of the original Air Force Song. Many times this is sung as a separate piece. This is the verse which commemorates those who have fallen in the name of our service and our great country. This is the reason for the difference in melody and the reverent, reflective mood. The words to the third verse were changed in 2020 to reflect representation of all kinds.

After every football game, the Drum and Bugle Corps plays "A Toast to the Host" as the football team gathers together on the field, joins hands and stands at attention.

Off we go into the wild blue yonder,
Climbing high into the sun;
Here they come zooming to meet our thunder,
At 'em boys, Give 'er the gun! (Give 'er the gun now!)
Down we dive, spouting our flame from under,
Off with one helluva roar!
We live in fame or go down in flame. Hey!
Nothing'll stop the U.S. Air Force!

Additional verses:

Minds of men fashioned a crate of thunder,
Sent it high into the blue;
Hands of men blasted the world asunder;
How they lived God only knew! (God only knew then!)
Souls of men dreaming of skies to conquer
Gave us wings, ever to soar!
With scouts before And bombers galore. Hey!
Nothing'll stop the U.S. Air Force!

Bridge: "A Toast to the Host"

Here's a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of the brace who serve on high.
We drink to those who gave their all of old,
Then down we roar to score the rainbow's pot of gold.
A toast to the host of those we boast, the U.S. Air Force!

Off we go into the wild sky yonder,
Keep the wings level and true;
If you'd live to be a grey-haired wonder
Keep the nose out of the blue! (Out of the blue, boy!)
Flying men, guarding the nation's border,
We'll be there, followed by more!
In echelon we carry on. Hey!
Nothing'll stop the U.S. Air Force!

FALCON FOOTBALL PAGEANTRY

Nothing is more indicative of the pageantry of Air Force football than the Wings of Blue.

The U.S. Air Force Academy parachute team, the Wings of Blue, has been one of the outstanding parachute units in the country for more than two decades. Since 1967, cadets have dominated national intercollegiate parachuting championships, typically winning decisively over 40 other schools which field about 125 of the nation's top college competitors. Additionally, they perform about 50 demonstrations each year for millions of spectators. That doesn't include jumping into Falcon Stadium before the start of every football game, weather permitting.

The Wings of Blue, because of their diverse mission, are divided into a demonstration team and a competition team. Advising and supervising the team is a cadre of active duty and reserve Air Force commissioned and non-commissioned officers. The team jumps from a variety of aircraft. However, the team primarily uses its own DeHavilland UV-18B Twin Otters. Each cadet member must be a qualified jump-master and instructor in the

Air Force Academy parachuting program. They must also maintain high academic and military standards to remain with the team. Members of the team average 600 jumps by the time they graduate.

The primary mission of the parachute team is not competing or performing, it's to train other cadets in free-fall parachuting.

Each year, over 1,000 cadets complete five free-fall jumps in the basic free fall parachuting course and earn the coveted parachutist badge and rating. The Academy is the only school in the Air Force authorized to grant these awards and is the only school in the U.S. authorized to allow students to perform unassisted free-fall delays on their first jump, without any prior static line training.

The basic free-fall program is the premier character development program at the Academy and is available to all cadets. It is designed to develop courage, confidence and discipline in each student and provide leadership experiences for the cadet instructors who teach the course.

It is a rigorous training schedule with

heavy emphasis on safety. Before cadets make their first jump, they are drilled repeatedly in ground school on proper parachuting procedures. The repetition is intended to have the jumper respond automatically and correctly should something unexpected occur during the jump.

Cadets who successfully complete the basic free fall course are then eligible to take the advanced training necessary to tryout for the Wings of Blue. Those who want advanced training must compete for admission. Selection is based upon an individual's maturity, abilities, academic and military standing.

From its uncertain beginnings, when it was reserved for stuntmen, rugged paratroopers and desperate pilots, parachuting has evolved into an exacting science and demanding sport -- a sport dominated at the college level by the Air Force Academy.

The Flight of Sound

The complete experience in sight and sound is presented at every home Falcon football game by the "Flight of Sound," the U.S. Air Force Academy Cadet Drum and Bugle Corps.

Since 1948, the Air Force Drum and Bugle Corps has entertained audiences across the nation and abroad with their thrilling performances. The Corps, originally assigned to Bolling Air Force Base, Washington, D.C., was transferred to the Air Force Academy in 1963 and turned over to the Cadet Wing in 1972. Since then, the corps has won 16 of the 24 Interservice Academy Drum and Bugle Corps competitions and are the four-time defending champions. The competition is held annually during the Air Force vs. Navy football weekend.

Recognized as one of America's premier musical and marching units, the Corps exemplifies the precision and musical blend of a well-directed band or orchestra and the showmanship of a Broadway production. Performing on the average of 150 times a year, they have become known as the Academy's ambassadors of precision drill and musical pageantry.

The Corps' primary mission is to support the Cadet Wing activities, including military formations and Academy athletic contests both home and away. An extension of the mission continues in the community with concerts, field exhibitions, band festivals and various military ceremonies.

The "D & B" Corps is comprised of 135 cadets and has represented the Air Force Academy at Presidential Inaugural Parades, Macy's Thanksgiving Day Parades, The Tournament of Roses Parade, Mardi Gras Parades, The Festival of State in St. Petersburg, Fla., Walt Disney World's International Music Festival and The Long's Peak Scottish/Irish Festival.

HEAD COACH TROY CALHOUN

The purpose of the United States Air Force Academy is to develop young people of strong character who graduate and serve as outstanding leaders on active duty and beyond. It's a purpose Troy Calhoun, who enters his 14th season, thoroughly respects and realizes is necessary for our country. Calhoun left the Houston Texans of the NFL as an offensive coordinator in 2007 to embrace the mission of the Air Force Academy and accomplish what was once considered nearly impossible: building a service academy program that often earns a postseason bid while playing in one of college football's best conferences.

Air Force student-athletes must complete the nation's most demanding academic curriculum while further embedding the heart and character that are crucial for serving the nation. Cadets at the Academy must work through courses that require finishing over 140 semester hours. Strong character traits, to include respect, teamwork, courage, spirit, discipline, honesty and toughness, are the bedrock of the leadership qualities Air Force football players utilize while serving as officers in the United States Air Force. Calhoun and his staff have come up with a way to manage the varied demands of their players and lead them into a cohesive team that has fared quite well both on and off the field in his 13 seasons as head coach. Calhoun has guided the Falcons to a bowl game in 10 of his 13 years and has a 98-69 career record.

Calhoun's players are extraordinarily successful finishing their academic and leadership responsibilities. The Air Force football team's NCAA APR (Academic Progress Report) is annually amongst the finest at the FBS level of college football. From May 2008 through the present, Air Force Football's multi-year APR has finished above the nation's 90th percentile 10 of the last 13 years. The football program received a public recognition award by the NCAA this season with an astounding mark of 995. In addition to being one of the nation's best in regards to the NCAA's APR, 99 percent of seniors who have played for Calhoun since 2007 have graduated from the Academy and served as officers for our nation.

Calhoun is the first coach in the 100-plus year history of service academy football to lead teams to a post-season bid in his first six years. They have done this while playing

very strong opponents.

Air Force capped a historic 2019 season with a 31-21 win over Washington State in the Cheez-It Bowl. The win gave Air Force an 11-2 overall record. The 11 wins are the most this century. The Falcons closed the season with an eight-game winning streak, the program's longest in one season since 1998. The eight-game streak trailed only national champion LSU's 16-game streak. Air Force finished second in the Mountain West Mountain Division with a 7-1 mark, the best MW record in program history and tied for the most conference wins all-time.

Under Calhoun's guidance, the 2016 team finished 10-3 overall, posting just the sixth 10-win season in school history and second under Calhoun. Air Force won the Commander-in-Chief's Trophy for a record 20th time and also won an Arizona Bowl championship.

Air Force won the Mountain Division championship in 2015 and earned a bid to the 2015 Armed Forces Bowl, while extending its school record home winning streak to 12 games, posting a 6-0 home mark for the second straight year. Calhoun was named the 2015 National Football Foundation, Colorado chapter, coach of the year for his efforts.

Calhoun's 2014 team finished 10-3 overall. Calhoun was named as a finalist for the Maxwell National Coach of the Year. The Falcons qualified for their seventh bowl game in eight years, and by winning the Famous Idaho Potato Bowl, captured their third bowl championship since 2009. Air Force defeated Army and Navy to win its 19th Commander-in-Chief's Trophy and its third CINC title in the last five years. The Falcons were also one of

just two teams nationally to beat two 10-win teams in the regular season. The Falcons beat Boise State and in-state rival Colorado State, who each won 10-plus games. Air Force's 10-win season was the first this century for the Academy. The team finished 6-0 at home for just the third time in school history. Calhoun's 2007 squad also finished 6-0 at home.

Air Force earned a bid in 2012 to the Armed Forces Bowl. Air Force won its second straight Commander-in-Chief's Trophy in 2011, the first back-to-back titles at the Academy since 2001-02 and earned their fifth straight bowl game in the Military Bowl. The 2010 Air Force team finished 9-4 overall and won Air Force's 17th Commander-in-Chief's Trophy championship with wins over Army and Navy. The Falcons closed the 2010 season with a victory over Georgia Tech of the ACC in the Independence Bowl. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation.

The 2009 Air Force team finished 8-5 overall and concluded with a convincing 47-20 win over 25th-ranked Houston in the Bell Helicopter Armed Forces Bowl. Air Force set 13 Academy bowl team records in the dominant victory. Calhoun was named Coach of the Year by the Colorado Chapter of the National Football Foundation for his efforts.

Calhoun's 2007 and 2008 Air Force teams finished 9-4 and 8-5, respectively, and both earned bowl bids. The 2007 Falcons were the only team in Air Force history to win road games at Notre Dame, Utah and Colorado State in the same season. The five-game turnaround from 2006, in which Air Force was 4-8, was the largest in the nation that season by a first-year head coach. The five-

HEAD COACH TROY CALHOUN

game turnaround was the best in school history since the 1958 team had a school-record turnaround of six games.

Air Force's nine wins tied Calhoun for the most wins ever at a service academy by a first-year head coach, matching the mark set by Ben Martin in 1958. Calhoun was named the Mountain West Conference's Coach of the Year for his efforts. In addition, he was named Coach of the Year in Region 5 by the American Football Coaches Association and was one of eight finalists for the Eddie Robinson National Coach of the Year Award. He was also one of seven finalists for the AFCA National Coach of the Year award.

Calhoun brought to Air Force a wealth of experience at the collegiate and professional levels that was flooded with success at every stop prior to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year. On offense, the Texans had the NFL's leading receiver (Pro Bowler Andre Johnson with 103 catches), the NFL's best quarterback completion percentage (68.4 percent) and their quarterback tied a NFL record against Buffalo with 22 straight completions.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving on the defensive side of the ball in 2003. He helped

coach the NFL's fourth-best defense. The Broncos' defense ranked seventh against the run and sixth against the pass. Denver's defense yielded a mere 17.6 points per game as they made the playoffs for the first time since 2000.

In 2004, Calhoun moved to become an assistant on offense and worked with the special teams. The offense ranked fifth in the NFL, averaging 395.8 yards per game. Calhoun worked closely with Broncos head coach Mike Shanahan in the 2005 season, serving as the assistant to the head coach. The Broncos won the AFC West title for the 10th time in their

history and played for the AFC Championship game for the first time in seven seasons. Their 14-4 record was the best since Denver finished the 1998 season as winners of Super Bowl XXXIII. The offense finished fifth in the NFL averaging 360.4 yards per game. The defense was stout against the run, finishing second in the NFL with 85.2 yards per game. Denver finished with an undefeated record at home during the regular season for the fifth time in team history. During Calhoun's three years in Denver, the Broncos made the playoffs every season, averaging over 11 wins a year.

Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was an assistant coach for the Falcons in 1993-94. He moved to Ohio University in the spring of 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. The Bobcats defeated Maryland in 1997, marking the school's first win against a team from the ACC in school history. The '97 Bobcats' 8-3 record was the schools best in 29 years. During his last season at Ohio in 2000, the Bobcats beat two bowl teams, Minnesota and Marshall, for the first time in school history. Calhoun's 2000 offense set a school record with 418.1 yards per game.

Calhoun moved to Wake Forest in 2001. The Demon Deacons were one of only seven

teams in the country in 2001 to score more than 30 points in each of the final four games. During his second season in 2002 Wake led the ACC in total offense with 408.1 yards per game. His offense had a league-best 990 plays and was efficient with the ball, committing only 16 turnovers, fewest in the ACC. The 2001 season culminated with a 38-17 bowl victory over Oregon to give Wake Forest its first back-to-back winning seasons since the ACC expanded from eight teams.

Calhoun was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. Calhoun's younger sister, Callie, is a 1991 Academy graduate. She was a 10-time track and cross country All-American who won six NCAA national titles. Troy Calhoun graduated from the Academy in 1989 as a member of the superintendent's list by earning over a 3.0 grade point average along with a military performance average of better than 3.0. He also completed a master's in business administration (MBA) from Oklahoma City University in 1992. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (18) and Amelia (16). Calhoun and his wife, Amanda, have a strong respect and affinity for the members of our armed services and are very involved with numerous charitable and community endeavors.

JAKE CAMPBELL - SLOT BACKS

Jake Campbell is in his ninth season at Air Force and second as the slot backs coach. Campbell returned to his alma mater after four years at Claremont-Mudd-Scripps where he was offensive coordinator and quarterbacks coach in 2011. He coached running backs his first three seasons.

Campbell has been instrumental in the development of running backs Jacobi Owens, who rushed for 1,000 or more yards in back-to-back seasons and finished his career with over 3,000 yards rushing, and Tim McVey, who finished among the school's all-time bests in rushing and receiving yards per touch and kickoff return average. McVey became the first player in school history to have over 100

yards rushing and receiving in the same game which he did vs. New Mexico in 2014.

Campbell mentored two offensive MVPs (DJ Lillard, 2010 and Spencer Clark, 2011) at CMS. Lillard was the first running back to make first-team all-SCIAC since 2002 while Clark led the team in all-purpose yards in his senior campaign.

Under Campbell's direction, the offensive unit made its way into the school's record books. The 2010 team broke the school's record for points scored in a season with 268 and tied the school record for touchdowns in a season at 36. The 2010 offense also led the conference in rushing, third down conversions, turnovers, sacks given up, and red zone efficiency, while being second in scoring and time of possession. Peter Kimmey, who took over for the starting role at quarterback midway through the year, rushed for 14 touchdowns in Campbell's system, one shy of the school record. He led the conference in rushing touchdowns and points per game.

Campbell is a 1996 graduate of the Air Force Academy. His on-field accomplishments and highlights as a running back make him one of the best to ever play the position at the Academy. He captained the 1995 team that won one of the Academy's three Western Athletic Conference (WAC) championships in its history. Campbell's efforts land him in the top 10 in several areas of the Falcon record

book. He is currently fifth all-time in yards per carry for a season, fifth all-time for a career. He is also seventh all-time for yards per reception for a season and fourth in career touchdown receptions. He put together back-to-back 1,000 plus all-purpose yards his junior and senior years as a running back, receiver and kick returner. Campbell was later named to the Colorado Springs Gazette Telegraph's Air Force all-decade team of the 1990's.

Prior to joining the CMS football staff, Campbell served 10 years as an officer in the Air Force, reaching the rank of major. Campbell amassed over 1,000 flying hours as a pilot in the T-37, T-1A, and C-9A airframes. He flew the first stateside C-9A aircraft to deploy overseas in support of military operations in Kosovo. Campbell finished his military career as a contract negotia-

tor. He was responsible for leading negotiating teams with Fortune 500 companies in contracts worth well over \$400 million to deploy the widely known and frequently used Global Positioning System (GPS).

Campbell spent one season at the Air Force Academy Prep School as an assistant football coach. His responsibilities were coaching the running backs and quarterbacks, as well as the offensive play-calling duties. While at the Prep School, he helped develop numerous eventual Falcon football stars such as Scott McKay, Qualario Brown, Nate Beard and Chris Jessup. Campbell was also a math instructor and taught calculus.

Campbell was also a Nike/SPARQ trainer and the lead running back coach for the Nike Football Training Camps held throughout the country. He has worked with some of the best athletes in the country, many who have gone on to professional and Division I careers.

Originally from North Highlands, a neighborhood in Sacramento, Calif., Campbell was a four-sport starter in high school. He lettered in football, basketball, baseball and track. Campbell was also an assistant coach for the two-time defending conference champion CMS Athena softball team. Campbell is married to the former Bonnie Anderson. He also has a son, Brayden.

ARI CONFESOR - WIDE RECEIVERS

Ari Confesor is in his second season as wide receivers coach at Air Force. He came to the Academy from Holy Cross, where he was the passing game coordinator and receivers coach in 2018.

Confesor had a remarkable debut season with the Falcons in 2019, helping to mentor one of the best wide receiver combos in program history in seniors Geraud Sanders and Ben Waters. The pair combined for 52 catches for 1,404 yards and 14 touchdowns. Sanders had 30 grabs for 746 yards and Waters 22 for

658 yards. They each had seven touchdown catches. Their 52 catches are the most at Air Force since 2015, while their yards and touchdowns are the best in the option era (1980) and best overall since 1970. Sanders led the nation with a 24.9 average and finished fifth in program history for TD catches in a single season. Waters set a school record with a 29.9 yards per catch average and tied with Sanders for fifth in AF history in touchdown catches.

Confesor coached wide receivers from 2014-17 and was the co-special teams coordinator at Rhode Island in 2017, where he coached two players who earned All-Colonial Athletic Association honors in 2017 (Marven Beauvais and Aaron Parker). His return units produced third-team all-CAA kick returner Harold Cooper and Matt Pires, who earned third-team all-CAA honors at a punt returner.

He also helped the Rams rank 27th in the nation in yards per completion in 2016. He was previously Rhode Island's linebackers coach in 2013 while working in the scouting department of the Kansas City Chiefs in 2012. He was also a member of the Rhode Island coaching staff from 2009-2011, coaching wide receivers (2010-11) and assisting with the secondary (2009).

Confesor is a 2004 Holy Cross graduate with a bachelor's degree in political science. He was a two-time All-America selection as a wide receiver and return specialist, and served as team captain during his senior year. Confesor is still Holy Cross' all-time leader with 2,352 career receiving yards, 2,267 career kickoff return yards and 5,370 career all-purpose yards. He is also a member of the 2019 Holy Cross Athletics Hall of Fame Class.

Confesor was selected to participate in the 2015 NFL-NCAA Coaches Academy. The NFL and NCAA host the Coaches Academy for former NFL players who are current coaches. The highly competitive and intensive program trains selected participants in a variety of areas that encourage effective coaching and

DEL COWSETTE - ASSISTANT DEFENSIVE LINE

Del Cowsette is in his first season as assistant defensive line coach at Air Force. Cowsette comes to the Academy from Maryland, where he coached the defensive line in 2019.

Cowsette was a standout and All-ACC performer as a player at Maryland. Cowsette, who also played in the NFL, spent the previous five seasons as the defensive line coach at the University of Albany before going to Maryland.

Under Cowsette's guidance, the Great Danes produced 20 sacks in 2018 and 24 sacks in 2017. Albany held opponents to 107.0 rushing yards per game in 2017 as defensive end Malachi Hoskins earned first-team All-CAA honors after totaling nine sacks and five tackles for a loss.

In 2016, Cowsette's line helped Albany earn 24 sacks and have the No. 2 scoring defense in the CAA at 18.8 points allowed a game.

Hoskins earned second team All-CAA honors with seven sacks, 11 tackles for loss and 82 total tackles.

In his first season, the Albany defense led the nation in turnover margin (1.25) as well as fumble recoveries (20) under Cowsette's watch.

Cowsette went to Albany after two stints at Hampton University where he served as the defensive line coach, defensive coordinator, and recruiting coordinator.

In 2010, Cowsette tutored two All-Americans on the defensive line: Kenrick Ellis and Brandon Peguese, who helped the Pirate defense finish in the top three nationally in total defense. The Pirate defense also finished No. 1 in red zone stops.

As the assistant defensive line coach, Cowsette helped the Virginia Destroyers win the 2011 UFL Championship. Under his direction, the Destroyers finished first in every defensive statistical category.

Cowsette then returned to Hampton for the 2012 and 2013 seasons where he served as the pro liaison for NFL scouts, as well as developed an all-conference defensive end.

Cowsette was a four-year standout at Maryland (1996-99) where he was team captain his senior year while earning first team All-ACC honors. He currently ranks 12th all-time at Maryland with 31 tackles for loss and in 1999 he tied for the team lead with six sacks.

After receiving a bachelor's degree in geography (with a double minor in sociology and

CUROME COX - DEFENSIVE BACKS

Curome Cox is in his first season as defensive backs coach at Air Force. Cox comes to the Academy from University of Albany where he was cornerbacks coach in 2019.

A standout defensive back at Maryland who went on to play 43 NFL games with the Denver Broncos and Houston Texans, Cox coached at Connecticut from 2017-18, where he also coached defensive backs under head coach Randy Edsall.

Cox also had coached defensive backs and special teams at Coastal Carolina from 2013-2017, helping the program to Big South Conference championships in 2013 and 2014. In 2016, Coastal led all of the Football Championship Subdivision in interceptions.

Cox also was a graduate assistant at his alma mater for two years beginning in 2010. As a

player, Cox was part of Maryland squads that played in the 2002 Orange Bowl, 2003 Peach Bowl and 2004 Gator Bowl. In the Peach Bowl, he returned an interception 54 yards for a touchdown. Cox still ranks seventh on Maryland's all-time list for career interceptions with 10.

Cox played three NFL seasons. First signed by the Atlanta Falcons as an undrafted free agent in 2004, he was part of Broncos teams that won the 2005 AFC West Title and reached the 2006 AFC Championship Game. He started five games for the Broncos over those two seasons, recording two interceptions along with 46 tackles and five passes defended.

JORDAN EASON - OFFENSIVE LINE ASSISTANT

Jordan Eason enters his third year as an assistant offensive line coach at the Academy after spending the previous two years as a football analyst. Eason comes to the football program from the Academy where he was an instructor of Portuguese for the dean of faculty.

His first two seasons working with the offensive line resulted in a pair of conference rushing titles and two top-five national rankings. The Falcons led the conference and ranked fifth in the nation in rushing with a 283.5 average in 2018. Air Force led the league and ranked second in 2019 with a 198.5 average. The offensive line was key to the Falcons

leading the league and ranking second nationally last year in time of possession with a 34:28 mark. Air Force was also the conference champ and ranked second national in third-down percentage with a 53.5 mark. The Falcons also led the nation in sacks allowed with just four.

The 2019 Falcons went 11-2, beat Colorado (Pac-12), and beat Washington State (Pac-12) in the Cheez-It Bowl to finish the season ranked 24th nationally.

Eason is a 2013 Academy graduate and three-year football letterman. He helped the program to 22 wins and three straight bowls games from 2010-12, including a 14-7 victory over Georgia Tech in the 2010 Independence Bowl. Eason helped anchor an offensive line that led the Falcons to three conference rushing titles and three top-three finishes in the national rankings for rushing offense. He also helped the Falcons to four bowl games and a pair of Commander-in-Chief's Trophy titles. Eason earned second-team all-conference honors in 2012 while winning the Brian Bullard Award, the program's highest honor which recognizes the player that gives 100 percent in all aspects of the game.

Eason began his Air Force career as a contracting officer for the 633rd contracting squadron at Joint Base Langley-Eustis in Virginia. He was also the flight commander for the 386th expe-

Eason comes from a football family. He served as a Red Hat official for Conference USA in 2014-15. His father, Merrill Eason, was a Division I football official and head linesman for 30 years and worked over 300 games. His brother, Josh, is now a replay communicator for Conference USA.

Eason and his wife, Leticia, were married in 2019.

JONATHAN HIMEBAUCH - TIGHT ENDS

Jonathan Himebauch is in his first season as tight ends coach at Air Force. Himebauch comes to the Academy from the Tampa Bay Vipers of the XFL where he was the offensive line coach. The Vipers led the XFL in total offense (391.8) and rushing (165.6) in 2020.

Himebauch was the offensive line coach for the San Antonio Commanders of the Alliance of American Football in 2019. Prior to that, he was with the Toronto Argonauts where he was the offensive line coach from 2017-18.

Himebauch joined the Argonauts midway through the 2017 season after previously serving as the team's assistant head coach and offensive line coach during the 2015 season. The native of Greenwich, Conn., has 22 years of coaching experiences, including six seasons in the Canadian Football League and 10 with NCAA programs.

Himebauch helped establish a newfound running attack that helped fuel a playoff run for the Argos. In the nine games following his hiring, the team averaged over 100 yards rushing which was a more than 40-yard improvement. He helped guide Sean McEwen to East Divi-

sion Most Outstanding Lineman honors while receiving his first-career CFL all-star nomination.

In 2015, he helped coach the offense that ranked third in total points (375) and first in total touchdowns (33). Under his tutelage, rookie offensive lineman Greg Van Roten and running back Brandon Whitaker were selected as an East Division all-stars.

His CFL experience has seen him work as offensive line coach/run game coordinator for the Edmonton Eskimos in 2014. While there, he coached a unit that helped the club finish first or second in most rushing categories, including first in most average yards per rush (6.4) and second in most average yards per game (136.6). Led by the offensive line, the Eskimos finished first in total net yards (6,548) and most average yards of offense per game (363.8) while the team made an appearance in the Western Final.

While in Montreal from 2009-11, Himebauch helped the offense finish in the top two in the CFL all three seasons in both scoring and offense while producing league-wide stars. His offensive line was led by perennial all-stars Josh Bourke and Scott Flory, who earned CFL most outstanding lineman awards and paved the way for quarterback Anthony Calvillo to win the most outstanding player award in 2009. Calvillo was the East Division's nominee for the same award the next two seasons. The offensive line was among the league leaders in fewest sacks allowed over a three-year period and running backs topped the 1,000-yard mark twice.

Himebauch has coached the offensive lines at San Diego State, UNLV, Santa Barbara City College and Wake Forest. He was also the head coach at Harvard-Westlake High School in California. He began his professional coaching career with the Calgary Stampeders in 2003, where he was the offensive coach.

Himebauch's football experiences includes many years as a player, including one regular season game and a playoff game for the Argonauts in 1999. He spent time in the NFL with the Arizona Cardinals and Kansas City Chiefs. He was also a member of the XFL with the Los Angeles Xtreme as well as NFL Europe with the Rhein Fire between 1998 and 2001.

He played college football at Southern California where he was a two-year starter at center while serving as team captain. He helped USC win the Rose Bowl over Northwestern in 1996. He earned his bachelor's degree in English from USC in 1998 and earned a master's in education from UNLV in 2001.

BRIAN KNORR - INSIDE LINEBACKERS

Brian Knorr enters his first year as inside linebackers coach after coaching outside linebackers in 2019 and spurs in 2018. This is Knorr's third stint with the Air Force football program. Knorr returned to the Academy from Arizona, where he served as the special teams coordinator and coached the STUD position, a hybrid defensive end and linebacker role.

Knorr has over 25 years of collegiate coaching experience that includes four seasons as the head coach at Ohio University, along with six seasons of defensive coordinator responsibilities at Ohio, Wake Forest and Indiana. Prior to his stint as Arizona, Knorr spent the 2016 season as a quality control assistant at Ohio State.

Prior to the one-year stint at Ohio State, Knorr was the defensive coordinator at Indiana during the 2014-15 seasons, where he tutored the defensive ends and outside linebackers. In his first season, the Hoosiers made significant improvements in scoring defense (+6.0), rushing yardage (+55.1) and total yardage per game (+94.1), as well as third down conver-

sion percentage (+10.4), sacks (+3) and tackles for loss (+13). His second season helped Indiana to a bowl berth and a six-win season for the first time in seven years.

Before his two-year stay at Indiana, Knorr served in several coaching roles at Wake Forest over six seasons. In 2008, he joined the Demon Deacons staff as wide receivers coach where he worked on the offensive side of the ball for three years, then switched sides to become co-defensive coordinator and inside linebackers coach in 2011. He was named defensive coordinator in 2012 when he continued to coach the inside linebackers, then oversaw the outside linebackers in his final season of 2013.

As the defensive coordinator at Wake Forest, the Demon Deacons produced some staunch numbers. In 2013, Wake Forest allowed only 24.1 points per game (38th nationally), 143.2 rushing yards (34th), 223.0 passing yards and 366.2 total yards (32nd) per game. A year prior, Knorr's system produced 23 turnovers to rank second in the ACC with 12 forced fumbles. In conference games, Wake Forest ranked in the top half of the conference in eight of the 12 major defensive categories.

Knorr made the second stop of his coaching career at Air Force, his alma mater, for three seasons from 2005-07. He was initially hired to coach outside linebackers and strong safeties for two seasons, then was named assistant head coach and mentored the inside linebackers in 2007.

Prior to his return to Air Force, Knorr put together a 10-year tenure at Ohio University highlighted by four seasons as the program's head coach from 2001-04 as he became the first Air Force Academy graduate to be named a head football coach at the Division I level. Previously, he was the Bobcats' defensive coordinator in 1999-2000 and a linebacker's coach from 1995-98.

The Bobcats' defense ranked in the top five in the Mid-American Conference in scoring, rushing and total defense every year in his time as coordinator, and five players earned all-conference accolades. Additionally, Knorr oversaw Ohio's special teams, including in 2001 when the Bobcats led the NCAA in punting. Punter Dave Zastudil earned first team All-America honors that season and went on to an 11-year professional career with the Baltimore Ravens, Cleveland Browns and Arizona Cardinals. He is one of seven players overall coached by Knorr to go on to professional careers.

Knorr began his coaching career at the Academy, serving as assistant offensive line coach, head junior varsity coach and administrative assistant to the head coach from 1992-94. He

joined the Falcons following five years as a captain on active duty, stationed at Wright-Patterson Air Force Base in Dayton, Ohio.

As a three-year letterman, Knorr quarterbacked Air Force to three bowl appearances. He served as a team captain his senior season.

Knorr received a bachelor's degree in management from the Air Force Academy in 1986 and an M.B.A. from Dayton in 1991. He and his wife, Julie, have a daughter, Katie, and twins, Reagan (daughter) and Brett (son).

STEED LOBOTZKE - OFFENSIVE LINE

Steed Lobotzke enters his sixth year at Air Force and fourth as the offensive line coach. Lobotzke coached tight ends his first two years at the Academy.

Lobotzke's first season at the Academy saw tight end Garrett Griffin develop into a free-agent signee by the New Orleans Saints. His work with the offensive line has been just as impressive. Air Force's offensive line was one of the nation's best in 2019, leading the nation in fewest sacks allowed with four, finishing second in rushing offense with a 298.5 per-game average while helping the Falcons rank second in the nation in time of possession with a 34:28 mark.

Lobotzke came to the Academy after spending the 2014 season at Winston-Salem State where the Rams made a trip to the CIAA Championship. He spearheaded the Ram offense that recorded eight-straight 400-plus yard games and Winston-Salem State ended the year with a No. 10 national ranking.

Prior to WSSU, Lobotzke spent 13 years at Wake Forest, including 11 seasons as the Deacons' offensive coordinator and offensive line coach. He also coached the running backs, tight ends and fullbacks. During his tenure, the Wake Forest offense broke many school and ACC records.

In 2012, junior wide receiver Michael Campanaro caught 7.9 passes per game, which led the ACC and was the second-best mark in ACC history. His 79 receptions in 2012 were the fourth-highest single-season mark for a Wake Forest player and were achieved despite the fact that he missed almost three games with an injury. Campanaro's 16 catches against Boston College set an ACC single-game record.

The 2011 team came within a field goal of playing for the ACC championship and went to the Music City Bowl. The squad scored 338 points - third-best in Wake Forest history - and only had 12 turnovers, which was the lowest total in school history and the best in the ACC that season.

In 2006, Wake Forest won 11 games and the ACC Championship. The offense produced 4,298 yards, the third-highest total in school history, and put up Wake Forest's fourth-best scoring season with 302 points. Wake Forest also ranked sixth in the nation in fewest turnovers. Freshman quarterback Riley Skinner was named ACC Rookie of the Year after leading the ACC in pass efficiency (139.6) and breaking the Wake Forest record for completion percentage (65.8 percent). On November 13, 2006, Lobotzke was chosen as the Master Football Coaches MCS Nike Offensive Coordinator of the Week after Wake Forest defeated Florida State 30-0 in Tallahassee.

Lobotzke went to Wake Forest along with head coach Jim Grobe after serving under Grobe the previous four years at Ohio University as the centers and guards coach. In his four seasons at Ohio, the offensive line paved the way for four of the top five rushing seasons in school history.

Lobotzke's ties with Grobe go back to their days at the Air Force Academy when Grobe personally recruited him. The northern California native attended the Academy and lettered on the football team in 1990-1991, playing on the offensive line. As a player, Lobotzke helped lead Air

Force to three Liberty Bowl appearances. He earned second-team All-Western Athletic Conference honors as a junior and was named to the first team as a senior before being invited to play in the East-West Shrine Football Classic.

After graduating from the Academy in 1992 with a degree in economics, Lobotzke began his coaching career at his alma mater. He served as a graduate assistant in the 1992-93 season, helping lead the team to another Liberty Bowl berth in 1992. Following his tour of active military duty, Lobotzke joined the Ohio staff in 1997.

Lobotzke is married to the former Kristin Hazen of Warren, Ohio. The couple has two daughters: Capri and Gia and one son, Anthony.

MATT MCGETTIGAN - STRENGTH AND CONDITIONING

Matt McGettigan is in his 14th season as the strength and conditioning coach for the Falcon football team.

Widely considered one of the best in the country, McGettigan helped transform the Falcon program. Prior to his coming to the Academy, the Falcons had posted a 12-24 record over the second half of the season from 2001-06. Since his arrival, the Falcons have won over 70 percent of their games over the second half of the season. In addition to being in better physical shape, the Falcons have seen fewer significant injuries.

McGettigan played a key factor in the play of 2007 All-American Chad Hall, a 5-foot-8, 185-pound do-everything runner who averaged over 32 touches per game over the last seven weeks of the 2007 season. Hall went on the play in the National Football League for several seasons. McGettigan also helped develop Ben Garland, who plays for the San

Francisco 49ers. Garland was a defensive lineman in college and has played both offense and defense in the NFL. Garland has been a part of three Super Bowl teams, including the 54th edition with San Francisco last season. McGettigan worked closed with long snapper Austin Cutting, who was a rookie with the Minnesota Vikings in 2019. He was the team's starting long snapper.

McGettigan received the ultimate affirmation of excellence when he earned recognition as the 2001 National Collegiate Strength and Conditioning Coach of the Year by the Professional Football Strength and Conditioning Coaches Society. The award underscored the respect McGettigan has from his peers.

McGettigan joined the Iowa State staff in 1996 with head coach Dan McCarney. He spent 11 years with the Cyclones before coming to Air Force in the summer of 2007.

Prior to his stint in Ames, he was an assistant strength and conditioning coach at Notre Dame from 1991-95. Before his work with the Fighting Irish, McGettigan served as the strength and conditioning coordinator for Wisconsin-Platteville from 1987-90.

McGettigan completed his undergraduate work in physical education at Luther College in Decorah, Iowa, in 1987, where he was a three-year starter on the football team. He is a member of the National Strength and Conditioning Association. In January 1989, McGettigan received his certification as strength and conditioning specialist. He earned his master's degree in 1989 from Wisconsin-

ALEX MEANS - OUTSIDE LINEBACKERS

Alex Means begins his first season as outside linebackers coach and is in his third season overall as an assistant. He was the assistant defensive line coach his first two years. Means was the outside linebackers coach at the Air Force Academy Prep School in 2017.

The Air Force defense has been outstanding the last two years. The defense was third in the conference and 20th nationally in scoring defense with a 19.8 norm in 2019. The unit allowed just 100.5 yards per game, which is the best single season mark in program history, breaking the mark of 109.0 set in 1985. The defense allowed just 319.6 yards per game which is the best single season mark in the program since 2009.

The defensive line was anchored by Mosese Fifita, who was named first-team all-MW. Fifita recorded 48 total tackles and had 7.5

tackles for loss and 6.0 sacks which are the best marks by an Air Force defensive lineman since all-conference performer Ben Garland in 2009. Fifita is the first Falcon defensive lineman to earn first-team all-conference honors since 2015.

Means is a 2013 Academy graduate and four-year football letterman. He helped lead the Falcons to four consecutive bowl games as a player, including a 14-7 win over Georgia Tech in the 2010 Independence Bowl. Means was a second-team all-Mountain West selection in 2012 while earning the team's most valuable player award. He earned his bachelor's degree in sociology.

Means began his coaching career at the Academy in 2014, serving as a graduate assistant coach for outside linebackers. He then worked in logistics at Offutt Air Force Base, Neb., before returning to the Academy to coach at the prep school.

BEN MILLER - RUNNING BACKS/SPECIAL TEAMS COORD.

Ben Miller is in his 14th season as an assistant coach at Air Force. This season marks his ninth as running backs coach and his 13th year coaching the specialists (punters, kickers and snappers). This season is his 10th as the special teams coordinator.

Miller's first four years saw the development of Travis Dekker as one of the best tight ends in school history and one of the best in the Mountain West Conference. Dekker caught 25 passes for 382 yards and two scores, while averaging 15.3 yards per catch, in 2007. His 25 catches were the most by an Air Force tight end since Trent Van Hulzen in 1989. Dekker would later attend training camp with the Green Bay Packers.

Miller's work with the kickers has also been impressive, as he helped develop record-setting kicker Jake Koehnke, who hit a school-

record 13-13 field goals last season. He also ranks second in career field goal percentage with an .880 mark (22-25). Luke Strebelt joined a long list of outstanding kickers at Air Force. Strebelt became the Academy's all-time leading scorer in 2018.

Miller also helped Ryan Harrison kick a school-record 24 field goals in 2008, while becoming a semifinalist for the Lou Groza National Placekicker of the Year award. Will Conant ranked among the conference's top kickers, hitting 11-of-13 field goals and 32-of-33 extra points for 65 points to lead the Falcons in 2013. In 2014, Conant hit 19-of-21 field goals and 45-of-46 PATs to hit the 100-point mark with 102. He also averaged 43.6 yards per punt. He was a Lou Groza Award semifinalist and earned MW special teams player of the year honors. In 2018, Luke Strebelt established himself as one of the top kickers in the Mountain West and the nation. He is the school's career leader in field goal percentage with a .889 mark, hitting 32 of 36 field goals. He was a perfect 88-of-88 on extra points.

His seven years working with the running backs was highly successful. He oversaw the progress of first-year starter Cody Getz, who rushed for 1,248 yards which is the seventh most in school history. Getz opened the season with a school-record five straight 100-yard games while hitting the 200-yard mark three times to establish a new school record.

Jacobi Owens posted back-to-back 1,000-yard seasons and was among the conference leaders in rushing each year. Owens finished his career ranked fourth in school history with 3,005 yards. Tim McVey established himself as well, becoming the first player in school history to have over 100 yards rushing and receiving in a game at New Mexico.

A 2002 Academy graduate, Miller spent the 2006 season as the offensive graduate assistant at the University of Illinois before returning to the Academy.

Miller was an all-conference offensive lineman for the Falcons, starting at left tackle as a junior and senior. After completing his collegiate career, Miller signed a contract with

He also spent one year in the ManTech Division at Wright-Patterson Air Force Base, Ohio, before transitioning to the Air Force Reserve in May of 2004. During the NFL offseason, he worked as a public affairs officer doing recruiting and public relations activities for the Air Force.

JOHN RUDZINSKI - DEFENSIVE COORDINATOR/SECONDARY

John Rudzinski begins his 11th season overall and third as the defensive coordinator with the Falcons. Rudzinski's tenure includes responsibilities as the recruiting coordinator, outside linebackers coach and defensive backs coach.

The leader of a top 20 defense in scoring and total yards, he was the architect of a physical unit in 2019 that ranked 17th in the FBS in total defense (319.6 yards per game) and 20th in scoring defense (19.8). The Falcons were also seventh in the FBS in rushing defense (100.5) last year. Air Force allowed a school-record 100.5 yards rushing in 2019, breaking the old mark of 109 set in 1985. Opponents were held under 100 yards rushing nine times. Air Force allowed just 319.6 total yards and 19.8 points per game while ranking among the top 10 in red zone defense.

Leading the secondary, the defense has been among the conference's elite. Air Force finished 22nd in the country in interceptions in 2016. He was vital in the development of All-American safety Weston Steelhammer, who finished as the career leader in interceptions with 18 interceptions. Steelhammer ranks second in Mountain West history in career. Air Force's defense was vastly improved under his leadership. The squad was second in the MW in rushing defense (116.9), sixth in scoring defense (25.8) and fourth in total defense (360.9).

The 2015 group had two first-team all-conference honorees in Steelhammer and cornerback Roland Ladipo. The secondary also boasted three of the top four tacklers in 2015. In 2014, Steelhammer earned first-team all-conference honors, his first of a school-record three selections to the conference's first team. Safety Christian Spears was also among the team leaders in tackles with 81.

As recruiting coordinator from 2012-2014, Rudzinski managed the national academic and athletic evaluation of high school prospects. Those recruiting classes would produce 28 wins, two bowl championships and two Commander-in-Chief Trophy wins over a three year period (2014-2016).

Rudzinski's first two years back on staff, the Falcons won back-to-back Commander-in-Chief's Trophy in 2010-11. In 2011, he assisted the defense to finish first in the conference in passing defense with a 166.8 average. In

2010, the Falcon defense was even better, ranking second nationally by allowing just 147.8 passing yards per game. The defensive success aided Air Force to a 9-4 record, capped by a victory over Georgia Tech in the Independence Bowl.

Rudzinski began his coaching career in 2005 as a graduate assistant at the Academy, serving for two years under the leadership of College Football Hall of Famer Fisher DeBerry. Learning under the tutelage of defensive coordinator Richard Bell, Rudzinski helped develop future all-conference performers Drew Fowler and John Rabold.

Transitioning to Charleston Air Force Base, S.C., Rudzinski served as maintenance operations officer from 2007-10, leading 250 airman. He was responsible for

Rudzinski is a 2001 high school graduate from Notre Dame Academy in Green Bay, Wisconsin. A three-year letterman at the Air Force Academy, he led the team in tackles over this span. A two-time captain, Rudzinski was named the team's most valuable player and was honored with Air Force's Brian Bullard Award, which is the program's highest honor. An honorable mention all-Mountain West selection as a senior, Rudzinski was selected to play in the East-West Shrine Game.

Rudzinski graduated from the Academy in 2005 as a distinguished graduate and a member of Superintendent's List. He was also honored as outstanding cadet in management. Rudzinski has since earned his master's degree in business administration from the University of Colorado.

BILL SHERIDAN - DEFENSIVE LINE

Bill Sheridan is in his first season as defensive line coach at Air Force. Sheridan came to the Academy from Boston College where he was the linebackers coach in 2018 and defensive coordinator/linebackers coach in 2019.

Sheridan coached a linebacker unit that featured all-Atlantic Coast Conference performer Connor Strachan, who led the team with 91 tackles and signed a NFL free agent contract with the Jacksonville Jaguars. He also oversaw the development of Isaiah McDuffie and Max Richardson into two the team's top tacklers and playmakers.

Sheridan spent the previous 13 seasons as an assistant coach and defensive coordinator in the National Football League for four teams before joining Boston College.

Sheridan helped the Detroit Lions to a pair of playoff appearances between 2014 and 2017 while coaching All-Pro linebacker DeAndre Levy in 2014. He was also the Tampa Bay Buccaneers defensive coordinator from 2012-13, where he helped develop two-time All-Pro and Pro Bowl defensive lineman Gerald McCoy, All-Pro cornerback Darrelle Revis and

All-Pro linebacker Lavonte David.

Sheridan spent two years as the linebackers coach with the Miami Dolphins from 2010-11, training two-time All-Pro and Pro Bowl linebacker Cameron Wake. His NFL career began as the linebackers coach for the New York Giants from 2005-08 before becoming defensive coordinator in 2009. Sheridan helped the Giants to four consecutive playoff appearances, including a Super Bowl XLII victory over the New England Patriots. He coached Pro Bowl linebacker Antonio Pierce while there.

Sheridan spent three seasons at Michigan from 2002-04 under head coach Lloyd Carr, including one as linebackers coach (2002), when he coached all-Big Ten member Victor Hobson. He spent two seasons as the defensive line coach (2003-04). Additionally, he served as the recruiting coordinator for two years (2002-03). He helped lead Michigan to Big Ten titles and Rose Bowl appearances in 2003 and 2004. Prior to his stint at Michigan, he coached at Notre Dame in 2001 as the safeties and special teams coach.

Sheridan worked at Michigan State from 1998-00 as the linebackers coach, coaching two years under head coach Nick Saban. He oversaw the development of first-team All-American Julian Peterson (1999), who produced a MSU record 30 tackles for loss, 15 sacks and was named most valuable player of the Spartans' victory in the 2000 Citrus Bowl. He also coached all-Big Ten performer Josh Thornhill (2000).

Sheridan was an assistant coach at Army for six years, including four as the linebackers coach from 1992-95 and two as defensive backs coach from 1996-97. He helped Army finish No. 24 in the final USA Today Coaches poll in 1996 with a 10-2 record and appearance in the Independence Bowl. The Black Knights won five consecutive Army-Navy games during his first five seasons in West Point.

He also coached linebackers at Maine (1987-88) and Cincinnati (1989-91). Sheridan started his career as an assistant coach at Shrine Catholic (Mich.) High School from 1981-84. He moved into the college ranks as a graduate assistant at Michigan (1985-86) under the legendary Bo Shembechler.

Sheridan is a native of Detroit, Mich., and earned a bachelor's degree in physical education from Grand Valley State in 1982. He was a four-year letterman and three-year starter at linebacker.

He and his wife, Jaycine, have four children, Joseph, Nicholas, Mark and Natalie.

MIKE THIESSEN - OFFENSIVE COORD./QBS

Mike Thiessen is in his 14th season as an assistant coach at the Academy. This season is his seventh as the solo offensive coordinator after four years of sharing the duties, and his sixth as the quarterbacks coach.

As offensive coordinator, Thiessen has led a unit over the last five years that has been in the top four of the nation in rushing each year, averaged 32 points per game, been in the top three nationally in passing yards per completion and among the top 10 in third-down percentage. This has been one of the most productive offensive eras in Academy history. The Falcons led the nation in yards per catch (23.56), were second in rushing (298.5) and time of possession (34:28), third in passing efficiency (187.9) and second in third down percentage (53.5) in 2019.

He has guided quarterbacks Karson Roberts

and Arion Worthman to bowl most valuable player honors. Roberts finished his senior campaign leading the team to a Mountain West division championship while Worthman finished the 2017 season in the top 10 in the conference in four categories. As receivers coach, Thiessen was instrumental in the development of Jalen Robinette, who finished his career as the all-time leading receiver in school history with 120 catches for 2,697 yards and 18 touchdowns. He was also a key contributor in the development of All-American Chad Hall, the conference offensive player of the year in 2007. Hall caught 50 passes, the sixth most in school history, for 524 yards, while rushing for 1,478 yards, which ranks second all-time in school history. Hall played six seasons in the NFL and earned a Super Bowl appearance with the San Francisco 49ers.

A two-sport star during his collegiate career, Thiessen was an All-American baseball player as a centerfielder in the spring of 2000 and was the Mountain West Conference football offensive player of the year in the fall of 2000. A two-year starter at quarterback, Thiessen led the team in rushing and was among the conference leaders in rushing yards and touchdowns in 2000.

He capped off his career by earning offensive most valuable player honors while leading Air Force to a 37-34 win over Fresno State in the Silicon Valley Classic. Thiessen finished the game with 99 yards rushing and 204 yards passing.

Thiessen was a team captain as a senior, while rushing for 713 yards and 10 touchdowns and passing for 1,687 yards and 13 scores in 2000. On the diamond, he set 10 Academy records (six career and four single-season), including a 33-game hitting streak which stood for 17 years. He was inducted into the Air Force Athletics Hall of Fame in 2017, as part of the school's sixth class, and served on the selection committee for the class of 2019.

After graduation in 2001, Thiessen was a 42nd round draft pick of the Arizona Diamondbacks in 2001. He played in 27 games with the Yakima Bears "A" team and led the squad with a .308 batting average. His first military assignment was at Luke Air Force Base, Ariz., working in the 62nd Fighter Squadron.

He entered the World Class Athlete Program and played with the Lancaster Jethawks, an advanced A affiliate of the Diamondbacks in 2003. He hit .278 with five homers and 42 runs scored in 85 games. Following that season, he returned to Luke and worked in personnel.

After three years at Luke AFB, Thiessen returned to the Academy to teach and coach at the USAFA Prep School. He served as an instructor in algebra, calculus and chemistry and was the offensive coordinator for the football team for three seasons before joining the Academy staff in 2007.

Thiessen and his wife, the former Kristen McClellan of Jefferson City, Mo., have a son, Andrew, and a daughter, Brooke.

Air Force goes 11-2 Falcons finish second in MW Mountain Division 7-1 mark

Air Force capped a historic season with a 31-21 win over Washington State in the Cheez-It Bowl Dec. 27 in Phoenix, Ariz. The win gave Air Force an 11-2 overall record. Air Force is ranked in the final national polls for the first time since 1998, as the Falcons finished 22nd in the Associated Press poll with 209 points and 23rd in the USA Today Coaches poll with 265 points. Air Force was nationally ranked for the first time since 2010 season, appearing in the national polls for the first time Nov. 31 at No. 25 in both polls. The team moved to No. 24 in both entering the bowl season.

Air Force was the nation's third most-improved team with a six-game turnaround from last season. Only Navy (eight) and Central Michigan (seven) had better improvement.

CONSENSUS ALL-AMERICANS

Air Force has had five consensus All-Americans in school history. Offensive lineman Brock Strom (top left) was the first in 1958. In 1970, wide receiver Ernie Jennings (top center) earned the honor. Safety Scott Thomas (top right) was the next consensus All-American in 1985. Two years later, defensive tackle Chad Hennings joined the list. In 1992, cornerback Carlton McDonald became AFA's most recent consensus All-American.

COLLEGE FOOTBALL HALL OF FAME

Four former Falcons have reached the pinnacle of their sport by getting inducted into the College Football Hall of Fame.

Brock Strom, a 1959 Academy graduate, was inducted into the Hall of Fame in 1985. Strom was a consensus All-American in 1958 and the captain of Air Force's only undefeated team in school history. He played an instrumental role in the 1958 team that finished 9-0-2 and played in the Cotton Bowl.

Chad Hennings, a 1988 Academy graduate, was inducted into the Hall of Fame in 2006. A unanimous first-team All-America selection in 1987, Hennings received the Outland Trophy as the nation's top interior lineman. A two-time first-team all-conference selection, he is a member of the Western Athletic Conference all-time team and was named WAC defensive player of the decade for the 1980s. He is a two-time first-team Academic All-American and is also a member of the Academic All-America Hall of Fame. Although he was drafted by the Dallas Cowboys in the 1988 NFL Draft, Hennings fulfilled a four-year military commitment, serving during the first Gulf War. In 1992, he rejoined the Cowboys and embarked on a nine-year NFL career that brought him three Super Bowl titles.

Long-time coach Fisher DeBerry was inducted in 2011, the first year he was eligible to be on the ballot. DeBerry served as head coach at Air Force for a brilliant 23-year career which concluded with his retirement on Dec. 15, 2006. He led 17 of his 23 teams to winning records and 12 captured a bowl bid, posting a 6-6 record. His career record of 169-109-1 is the best in school history in terms of games won and winning percentage. He coached the Falcons to three conference championships. The team won a share of the Western Athletic Conference championship in 1985, his second season, and again in 1995. In 1998, DeBerry guided the team to its first outright title with the WAC Mountain Division championship and a win over Brigham Young in the title game in Las Vegas. He was named WAC Coach of the Year for the third time in his career. The 1998 team's 12-1 record completed the first back-to-back 10-win seasons in school history following a 10-3 campaign the previous year. The 1998 squad finished the season ranked 10th nationally. His Falcons dominated the Commander-in-Chief's Trophy series with archrivals Army and Navy. Air Force won the trophy 14 times and shared it once in DeBerry's tenure. He compiled a remarkable 35-11 record against the Black Knights and Midshipmen and is the winningest coach in service academy history.

Scott Thomas, a 1986 graduate, joined the group as part of the class of 2012. Thomas was a consensus All-American in 1985 while leading the Falcons to a school-best 12-1 record, a No. 5 national ranking and victory over Texas in the Bluebonnet Bowl. He led the team in interceptions with six that season and became just the seventh player in NCAA history at the time to have a kickoff, punt and interception return for a touchdown in the same season.

Former Air Force coach, L.T. "Buck" Shaw was inducted into the Hall of Fame in 1972. Shaw coached the Falcons in 1956 and 1957. Shaw is most known for his seven stellar seasons at Santa Clara, but also coached at North Carolina State, Nevada and California, as well as two stops in the NFL with San Francisco and Philadelphia.
